

Declaration of compliance with the obligations under the REACH Regulation (SVHC substances)

In accordance with Article 33(1) of Regulation (EC) No 1907/2006 of the European Parliament and of the Council concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH), **ALPHA CZECH s.r.o.** is obliged to inform customers about defined chemical substances contained in its products, whether manufactured in the EU or imported into EU Member States. For a product containing substances meeting the criteria of Article 57, which have been identified therein in accordance with Article 59(1) in concentrations exceeding 0.1% by weight, **ALPHA CZECH s.r.o.** is obliged to provide sufficient information to enable the safe use of this product.

In accordance with our aforementioned obligations, as part of the SVHC identification process:

Assessed the available technical data relating to the presence of SVHCs in our products, their components or packaging.

Communicated with our suppliers to rule out or confirm the presence of SVHCs in any component of our products.

Based on the results of this process, we confirm that, to the best of our knowledge, the products we supply to you do not contain any substances in concentrations that would prohibit their placing on the market.

ALPHA CZECH s.r.o. undertakes to continue to comply with the requirements of Regulation (EC) No 1907/2006 (REACH) as amended on 6 January 2025 regarding the list of SVHCs and to inform customers of any changes to our products.
